About Sarrians

Sarrians is a little town in Provence at the foot of the "Mont Ventoux", well known with cycling lovers for the Tour de France.

Its inhabitants are called "Sarriannais", they are around 6.000 to live in the city.

Sarrians is a sunny and nice place for tourism with good Old Provencal towns, wine cellars or lots of touristic places like "Dentelles de Montmirail", "Mont Ventoux" etc.

The BMX Club was born in 1991 and it has grown up step by step. Stephane Garcia was appointed president of the club 3 years ago. One year later, new coaches arrived as well (Simon Lukie and Estefania Gomez) as employees. The club organized its first national race in March 2017 and created its own team (National Division). BMX Sarrians was crowned French champion for its first year of existence in second division and will race the first one in 2018. The club can't wait to welcome you in July and we really hope to be able to organize other big races in the years to come.

Sarrians BMX facts

BMX Track

The brand new track is located in the sports complex of the town, recently rebuilt to host the competition. This big track was built by MY TRACKS, a new French company with a lot of experience like his famous co-founder Yann BONICI who also shaped world famous tracks like Zolder, Baku, and so on.

The track features a pro section on the 2nd straight and a 5 meters start hill for all classes. It also has between 3 and 4 meters high asphalt corners.
